

Save the date!

Second Annual Symposium on Translational Medicine and Biomanufacturing

A Virtual and Limited In-Person Event

Thursday and Friday, December 2-3, 2021

Keynote Speakers

**Christine
Mummery, PhD**

Professor of
Developmental
Biology, Department
of Anatomy and
Embryology at
Leiden University
Medical Center

Lorenz Studer, MD

Director, Center for
Stem Cell Biology
at Memorial Sloan
Kettering Cancer
Center

**Peter Marks,
MD, PhD**

Director, Center for
Biologics Evaluation
and Research at
U.S. Food and Drug
Administration
